

**Notes from the meeting of the
Longhope Community Land Trust Steering Group
held on Wednesday 18th July 2018**

1. Present

Mike Phelps – Chairman
Roger Noblett
Frank James
Chris Phelps
Tony Sellwood
John McCrone
Bill Reay
Andrew Maliphant

Apologies: Peter Johnson

2. Architect's report

MP summarised comments by a local architect on the land behind the Latchen Room, itemising aspects that needed to be researched and reviewed.

3. National CLT Network

AM reported that the bid for funding for a scoping site visit by a technical adviser had been successful.

4. Actions

After discussion, the following actions were agreed:

- National CLT Network adviser Ian Crawley to be invited to carry out a site visit on Thursday 20th
- Any general points or questions for Ian to be sent to RN for collation
- MP and CP to approach local landowners for permission to view their sites as part of a general survey around meeting local needs
- AM to confirm the Longhope settlement boundary, as the final version in the District Council Allocations Plan (p218) has a slightly extended settlement area by School Lane
